Report.

2. The decision has been made by the Ministry on the following conditions:

- i. As coral bleaching is predicted within the project period, where government issues specific safeguard measures such measures need to be adhered to by the proponent immediately without any delay.
- ii. In the event the project activity has not commenced within one (1) year from the date of issue, or if the duration of this Environmental Decision Statement has not been extended, this Environmental Decision Statement shall be considered null and void. In order to extend the duration of this Environmental Decision Statement, the Proponent shall write to the Minister for an extension according

to clause 14 of the Environmental Impact Assessment Regulation 2012.

according to the relevant laws and regulations of the Maldives.

- vi. The Developer shall submit environmental monitoring report as outlined in Paragraph viii of this Environmental Decision Statement. Failure to submit the requisite monitoring report may result in the suspension or revocation of the permit under this Decision Statement.

vii. The Developer is aware that under the National Environment Protection Act (Law no. 4/93) and the Environmental Impact Assessment Regulations the Ministry reserves the right to terminate any activity without compensation if found that such an activity has caused significant, irreversible impacts on the environment.

viii. All mitigation measures proposed in the EIA report for all the phases of the project shall be fully implemented.

- ix. The environmental monitoring program outlined in the Environmental Impact Assessment Report shall be undertaken and implemented and summary environmental monitoring reports shall be submitted to the Ministry.

x. The date of expiry stated in this Environmental Decision Statement is the duration given to commence the project activities approved under this Environmental Decision Statement.

xi. Once the project activities have started, the Proponent must inform the Environmental Protection Agency, the date of commencement of project activities.
